

# NVR: Complete The Grid

There is one blank area in the matrix on the left.

Work out which one of the shapes on the right best fits into the matrix on the left.

e.g.			<p>(a)      b      c      d      e</p> <p><b>Answer: a</b></p>
1			<p>a      b      c      d      e</p>
2			<p>a      b      c      d      e</p>
3			<p>a      b      c      d      e</p>
4			<p>a      b      c      d      e</p>
